LIFE FREEDOM GROUPS

LIFE Freedom Groups gather weekly to discuss the Freedom Small Group curriculum, which is designed to equip you to live the victorious and abundant life Christ came to give you. Freedom Groups build on the foundation of your faith in Christ to help you embrace the truth of God's Word as it relates to your worldview, your past, your sin, your personal value to God, and your purpose in His Kingdom. This group will help you remove every obstacle to intimacy with God and walk in true freedom.

Following the 12-week study you will experience a powerful two-day conference (Dec 1st-2nd) designed to allow you to personally encounter the Lord and receive freedom in many areas of your spiritual life. God is excited about you and made the way for you to live in peace and victory. L.I.F.E. teaches you how!

FREE MARKET GROUPS

We use the term "free market" to describe the endless opportunities that you can discover to connect with others who might share your same personal interests or hobbies. Join a study, make a meal, or enjoy an activity together. It's simply a creative way to make friends, have fun, and be encouraged to grow in your walk with Christ.

For Women Only

What's going on in a man's mind? From their early days, every woman has struggled to understand why males behave the way they do. Even long-married women who think they understand men have only scratched the surface. Beneath a man's rugged exterior is an even more rugged, unmapped terrain. This small group curriculum will open women's eyes to what their husbands are really thinking and feeling. Men want to be understood, but they're afraid to "freak out" the women they love by confessing what is happening inside their heads. This curriculum will guide wives on how to provide the loving support that their husbands want and need.
